26 months in barrels
of French oak.

BOTTLING DATE

May 2013.

PRODUCTION

7.615 bottles & 312 magnums.

After a long, cold winter with higher rainfall than usual, the vines had plenty of water to alleviate the shortages during the summer. Perfect end to ripening in dry weather, excellent light and cool nights that have preserved great acidity.

A distinguished and mineral nose with great aromatic depth. Very full, juicy and fresh in the mouth with tight tannins and controlled force.
