## VINTAGE

2012 was marked by the winter drought and scarce water reserves in the vineyards. In the better worked soils the plants preserved the vegetation, allowing an adequate transition to a warm end to ripening with clusters of a low weight and high concentration on the skins. The harvest took place between September 17th and October 6th with showers on the 26th and 27th that eased the water stress.

## TASTING NOTES

Clear and precise expression of red fruit with an earthy background. Refined, sleek and fresh on the palate, firm but polished tannins along with magnificent acidity. Enveloping texture and harmonious structure. Discrete, delicate and very classy.

## AGEING AND CONSUMPTION

Bottled in June 2014 after 16 months of aging in French and American oak barrels of different ages. Moderate extraction in a balanced vintage of plentiful aromatic nuances.
