VINTAGE

The year was marked by low rainfall, with a dry winter and a mild spring that brought forward both budburst and flowering. The summer began with high temperatures in July and high diurnal temperature variation from 15th August. Without any thinning of the grape bunches before the harvest, as of 12th September the first grapes were picked with moderate yields, small grapes and crunchy seeds.

TASTING

Exuberance and impressive array of aromas. Full of red fruit, floral. Nuanced, dynamic on the palate, with crisp tannins and silky texture.

AGEING AND CONSUMPTION

Mauro VS 2015 was bottled in March 2018 after ageing for 26 months in French and American oak barrels. Expressiveness and subtlety in one of the most attractive vintages of the last five years.
