AGEING

20 months in French oak barrels

BOTTLING DATE

September 2020

PRODUCTION

10,066 bottles and 205 magnums

The beginning of the year was cool and it coincided with one of the rainiest semesters of the last decades.

The arrival of spring was accompanied with light snowfalls in the vineyards of Tudela de Duero.

The gradual transition to summer temperatures led to a slow and tranquil aromatic ripening of the berries until the harvest, which took place on September 16 without any meteorological surprises.

Exceptional vintage in terms of quality, concentration, balance, and ageing ability.
