

# MAURO

## GODELLO

2013

### VINEYARDS

Godello vines planted on the vineyards of Los Musicos and El Rosal located in Villafranca del Bierzo using native clones by massal selection. Both parcels are located at 700 meters on very poor soils of sand and loose slate. The vines are trained on the trellis with double cordon.

### VINTAGE

A very wet winter and cold until the end of May with an almost nonexistent spring. Warm summer with low rainfall. A vintage with a clear Atlantic profile with a slow maturation. Harvested on September 25<sup>th</sup> before a prolonged period of heavy rain.

### VINIFICATION AND AGEING

Cold maceration for 12 hours. Pressed and very light debourbage before racking the must to two barrels of 500 liters –one new and the other used- where fermenting took place until 21 October. Bottled in June 2014 after a long period of ageing on the lees.

### TASTING NOTES

Discreet, elegant and complex nose with aromas of ripe peach, herbs and citrus. Subtle, balanced, vertical and with magnificent acidity on the palate, moderate opulence, delicate minerality and salinity on the finish.
