VINTAGE

A vintage of fine wines, characterised by excellent concentration and low yields, with an autumn marked by successive storms and warm temperatures that persisted into the winter. The onset of spring brought rain, wind and snow, as well as a few isolated spring frosts that affected the first shoots which meant more rigorous work in the vineyard. A summer of stable temperatures, with fluctuations between day and night towards the end of the growing season, leading to a very balanced ripening. The fruit was in impeccable condition during the harvest, which took place between 5 and 24 September.

TASTING NOTES

A vibrant, nuanced nose, bursting with red fruit and balanced by herbal and balsamic notes. Impressive on the palate, with vigour, elegance and firm tannins.

AGEING

Bottled in April 2026 after 16 months of ageing in *foudres* and French oak barrels of different ages.
